

The Greater Newport Chamber of Commerce invites to you join the Glass Float promotion

Treasures of the Sea!

Bring customers to your business during the shoulder season by offering them a unique opportunity to win a one-of-a-kind glass float! How can you be a part of this promotion? Simply sign up for a **Treasures of the Sea 2017 Package**. The package will include glass floats with stands, entry forms, promotional materials and everything you need to conduct your “Treasure Hunt” drawing. In addition, you’ll receive name recognition in press releases, via web presence and on the official treasure map. Locator maps highlighting participating businesses are mailed out to all visitors who inquire about Newport from October through December and are available to guests who visit the Chamber office and/or 24 hour outdoor kiosk.

Glass Floats will be on display at your and other participating businesses during the months of November and December. To help promote the program, and your business, the Chamber will draw a name from a different participating business each week and send the lucky winner a glass float on their behalf. Our goal of course is to have people enter the drawing at each participating businesses, taking time as they do to experience your products and/or services.

For more information call or email Courtney at the Chamber office 541-265-8801 or Courtney@newportchamber.org. On the back of this flyer you will find a participation form. To purchase a Treasures of the Sea package, please fill out this form and return it by 10/6/17.

The Treasure Hunt begins November 1st!

**Promotion runs through December 31st*
